

MAKE IT LAST.

SLS18MG-L, MW STAPLER, SELECTABLE

1W2025N

The SLS18Mg-L pneumatic medium wire stapler drives staples ranging from 9.5 to 38mm in length. This Pro Series stapler has a magnesium body that delivers an ultra light tool with SENCO dependability. The combination of an oil free design, selective trigger, rear exhaust and rotating belt hook provide a medium wire stapler that will perform the toughest jobs while delivering professional results and comfortable operation.

APPLICATIONS

Cabinets, finish and trim, furnitures, moldings, paneling, siding, soffits, upholstery, box assembly
