SGT90I CH 90MM FRAMING GAS TOOL

4VS2001N

With the SGT90i, SENCO's new Framing Gas Tool, the user can harness the increased power of the SGT90i to guarantee efficiency and a professional finish with every nail! The SGT90i fires 34° angle clipped head collated nails and shoots up to 8.000 nails per charge. Fitted with a perfectly designed nose piece that will ensure no slipping when firing and the option of a removable no-mar pad that will prevent damage for more aesthetic applications. The SGT90i is equipped with two longlife Li-ion batteries with quick charge function. A two minute quick charge equals 200 shots, no lengthy charging is needed to get the job done. In addition, a LED Power Gauge helps the user instantly recognize the battery condition.
